measuring up revisits vital issues of equity and assessment through the research efforts and insights of many of the nation's most prominent educators and assessment experts as its most urgent purpose the publication aims to sensitize readers to the unfairness and inappropriate uses of testing instruments which under optimal circumstances have the potential to benefit all students with america fervently espousing both national and state testing the differential performance by race and social class raises the specter of tests as barriers to life milestones such as promotion graduation and college admissions in response to such punitive testing the papers included here explore a host of models and practices that are currently being piloted both in america and abroad as educators grapple with the effects the assessment is having on minority and disadvantaged students and school systems in the process outcomes of innovative portfolio and authentic assessments are

weighed against important standards and principles of validity and consequences as the various authors probe the gap between african american and white test scores they raise important questions of resources family background and educational opportunity beyond their value of their recommendations to educators their papers help to identify causes of pupil deficiencies in ways that can be addressed by policymakers to reinforce the emphasis on equity several authors present a definitive defense of affirmative action as a critical counter measure to the lack of fairness in school quality family and social supports and educational resources

adolescence is a developmental period of accelerating physical psychological social cultural and cognitive development often characterized by confronting and surmounting a myriad of challenges and establishing a sense of self identity and autonomy it is also unfortunately a period fraught with many threats to the health and well being of adoles cents and with substantial consequent impairment and disability many of the adverse health consequences experienced by adolescents are to a large extent the result of their risk behaviors many adolescents today and perhaps an increasing number in the future are at risk for death disease and other adverse health outcomes that are not primarily biomedical in origin in general there has been a marked change in the causes of morbidity and mortality among adolescents previously infectious diseases accounted for a dispro portionate share of adolescent morbidity and mortality at present however the over whelming toll of adolescent morbidity and mortality is the result of lifestyle practices

first published in 1985 the handbook for achieving gender equity through education quickly established itself as the essential reference work concerning gender equity in education this new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting u s national data on the gains and losses in the efforts to advance gender equality through policies such as title ix the landmark federal law prohibiting sex discrimination in education equity programs and research key features include expertise like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education content area focus the analysis of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering global diversity focus global gender equity is addressed in a separate chapter as well as in numerous other chapters the expanded section on gender equity strategies for diverse populations contains seven chapters on african americans latina os asian and pacific island americans american indians gifted students students with disabilities and lesbian gay bisexual and transgender students action oriented all chapters contain practical recommendations for making education activities and outcomes more gender equitable a final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education new material expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender

equity is now treated in three chapters women s and gender studies communication skills relating to english bilingual and foreign language learning and history and implementation of title ix and other federal and state policies since there is so much misleading information about gender equity and education this handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers title ix coordinators equity trainers women s and gender study faculty students and parents

provides an understanding of the nature of drug use among minorities by summarizing data on this issue the data came from several large and small scale epidemiological studies that collect and analyze data on the incidence prevalence morbidity mortality and other adverse health consequences of drug use among racial ethnic populations chapters definition of race and ethnicity overview of drug use and drug related problems population statistics for racial ethnic minorities in the u s drug use in the general population prevalence of drug use among youth youth drug use and risky behaviors and adverse health consequences drugs and crime

according to the 2007 national urban league equality index although many black men are doing well glaring economic and other gaps continue to exist between them and their white counterparts because of its devastating and far reaching ramifications the status of the black male is the most serious economic and civil rights challenge we face today the 2007 state of black america report takes up this challenge with a fresh and in depth look at the current conditions facing the black male based on this research and analysis by some of america s best minds the national urban league presents several targeted and comprehensive recommendations designed to eliminate the equality gaps and empower all black americans male and female
